Hung K. Cheung, MD, MPH, FACOEM
Founder and President of Cogency

Dr. Hung Cheung, President of Cogency Environmental, has more than 20 years of experience leading environmental and toxicological investigations, protecting thousands of occupants and saving organizations millions of dollars. A former Maryland State Medical Director, he teaches at the Johns Hopkins Bloomberg School of Public Health and is faculty to the Occupational and Environmental Medicine program at the University Of Pennsylvania Perelman School Of Medicine. As a Fellow of the American College and Environmental Medicine, he is nationally-recognized as an expert in Environmental health and Toxicologic investigations including Legionella outbreaks, Risk Communication and Medical Advisory Services. Dr. Cheung also teaches AIHA (American Industrial Hygienists Association) webinars on the topic of Legionella nationally. Board Certified in both Internal Medicine and Preventive Medicine, he holds a Master's in Public Health from Johns Hopkins and has a medical degree from the University of Maryland.
